

How to Make Lotion Bars

2 oz. coconut oil

2 oz. shea butter, cocoa butter or mango butter (or a mix of all three)

2 oz. beeswax

Optional: 1 teaspoon Vitamin E oil

Directions:

Add all the ingredients into a pot and melt. Stir it thoroughly mix. Add whatever essential oil you want for sent (or none). Pour into molds and let harden.

Additional info:

You can add any essential oils for your favorite scents or to make it a medicated bar.
